# A Personal Invitation From the Consignors

We, the consignors of the Northwest Missouri Shorthorn Breeders Association, Inc., invite you to attend our seventh semi-annual sale of registered Shorthorn cattle on U. S. Highway 71 at the south edge of Maryville, Missouri, Saturday, April 5, 1947. Since we have been having these sales the cattle consigned have been consistently improved. Many of the breeders have bought outstanding bulls, of popular blood lines, to improve their herds and the sale cattle.

Northwest Missouri was the home of Goldfinder Diamond, and his offspring have constantly won at shows and improved the cattle where ever they went. There are more Goldfinder cattle in this sale than in any other spring sale. Other great bulls which show prominently in the sale pedigrees are: Browndale Goldspur and other Wilson bulls. Many Bellows Bros. bulls. Calves by the sons of Calrossie Prince Peter, Merryvale Farms bull, Crugleton Aspiration and other fine Sni-A-Bar bulls, Helfred Supreme and others from F. W. Hubbell. Some Canadian bulls and other great sires.

In selling so many cattle there are bound to be many bargains. Why not be on hand to get some of these.

The Missouri State Board of Agriculture will sponsor our show at 10:00 a. m. Sale will start at 1:00 p. m.

Please let nothing detain you from attending this event for your profit and pleasure.

# Shorthorn Show

This show and sale is co-sponsored by the Missouri State Board of Agriculture and the Northwest Missouri Shorthorn Breeders Association, Inc.

## MISSOURI STATE DEPARTMENT OF AGRICULTURE AWARDS

The State of Missouri, Department of Agriculture, will award to all animals in each class that can qualify as blue ribbon, red ribbon, and white ribbon animals, their respective earned ribbons and a cash premium of \$4.00 for Blue, \$3.00 for Red, and \$2.00 for White.

These awards are made possible through an appropriation by the Missouri Legislature to encourage the production, distribution and use of better breeding animals in Missouri.

**BLUE RIBBON** Animals are excellent individuals.

Only animals of outstanding quality, unusually good type, symmetry, and conformation, in sufficiently good flesh and adequately fitted to demonstrate fully their qualifications will be placed in this group. These are animals of unusual merit that would in every case be a valuable addition to the top breeding herds of the state.

**RED RIBBON** Animals are superior individuals.

Only animals of superior quality, of good type and without any major defect, plainly demonstrating the superiority of their qualifications will be placed in this group. These animals should be sufficiently good to improve any commercial herd and most small breeders herds.

**WHITE RIBBON** Animals are good individuals.

Animals of somewhat less desirable type and with one or more rather objectionable characteristics may be placed in this group. These are animals that would improve commercial herds and would in every case be superior to grade and scrub animals.

Unworthy animals will not be classified.

ROLLO E. SINGLETON, Superintendent of Show.

**Judge—Charles Garden, Manager Helfred Farms, Des Moines, Iowa**

SHORTHORN STEERS made a clean sweep of the *GRAND AND RESERVE GRAND CHAMPIONSHIPS* over 1,425 head of all breeds at the 1946 Chicago International Livestock Show. They went on to win the champion three-steer and get-of-sire groups over all breeds for the first time in the 47-year history of the International, when one breed monopolized single and group championships. The Grand Champion later sold at a new all-time record for the Chicago International of \$10.50 a lb. to total \$14,490 to the Firestone Tire and Rubber Co., Akron, Ohio. He immediately began a 22,000 mile educational tour of the country in a \$12,000 specially constructed trailer. Watch for notice of these exhibitions in your territory. (The Shorthorn steer,

Tomahawk, was Grand Champion of the 1945 Chicago Fat Stock Show and set the then International record of \$10 a lb.)

Shown above (left) is the Grand Champion, ROYAL JUPITER; (right) the Reserve Grand Champion, WYOMING CHALLENGER STANDARD; and (below), the winning three-steer group including the reserve grand champion.

These steers demonstrate the well-established Shorthorn profit characteristics combining greater weight with modern type and choice quality conformation. The Grand Champion steer weighed 1,380 lbs. at 22 months of age. *Extra pounds produce extra profits. REMEMBER—Shorthorns, Best in Every WEIGH!*
